

## A Protocol for Exploring the Introduction to the Common Core Standards

As you move into your department and/or grade level groups, use the worksheet provided to assign group members **specific** STRANDS to explore.

Once you have been assigned a specific STRAND, use the worksheet provided to:

- Explore COLLEGE AND CAREER READINESS ANCHOR STANDARDS aligned to your assigned STRAND.
- Analyze the GRADE SPECIFIC STANDARDS for that STRAND and annotate points of alignment and potential gaps.

Speaking one at a time, please provide:

- A quick overview of the College and Career Readiness Anchor Standards aligned to your assigned strand.
- A brief summary of where you feel your curricula is currently aligned and where you feel you may need to design new curricula.

Please respond to the prompts provided in the graphic organizer to the right. Your responses will inform the ways in which you are supported to implement the CCLS.

## Introducing the Common Core Learning Standards for ELA and Literacy in History/Social Studies, Science, and Technical Subjects Faculty Meeting Agenda:

This is where I'm already aligned....	This is what I aspire to.....
This is what I'm unclear about....	This is how you or others can help me....
